

Xinjiang Medical University

Urumqi, Xinjiang, China

Program	MBBS/Clinical Medicine
Intake	September, 2024
Duration	6 years including 1-year internship

New students shall Choose their University Wisely!

XJMU Welcomed over 200 Transfer Students in 2023/2024 in 2nd & 3rd year: Xinjiang Medical University became the top choice for students transferring from other Chinese universities due to XJMU's excellent education and world-class facilities. These students realized that their initial choice of universities did not meet their expectations, leading them to migrate to XJMU for better opportunities.

➤ Top reasons of migration to XJMU are;

- 1) English Taught **MOE** Listed **MBBS** Program
- 2) Medical Classes at **XJMU** starts from first year.
- 3) HSK3/4 aren't mandatory in the first year.
- 4) Pakistani students also prefer **XJMU** because it's nearest to Pakistan and students can travel by road (20-25 hours from Pakistani border by road and 2 hrs 50 minutes by flight from Islamabad).
- 5) **XJMU** is recognized by **WHO(WDOMS), ECFMG, PMDC, BMDC, NMC, SCHS, HPCSA, USMLE, WCAME...**

➤ Key Features of Xinjiang Medical University:

- 1) **XJMU** initiated the enrollment of international students in 1993.
- 2) Approx. 300 international students are admitted annually for bachelor's, master's, and doctoral degrees.
- 3) Starting from 2001, **XJMU** began recruiting a significant number of undergraduate students from countries including Pakistan, India, Bangladesh, the United Arab Emirates, the USA, the UK, Japan, Korea, Sudan, and Kazakhstan.
- 4) Currently, Xinjiang Medical University hosts over 800 international students from 20+ countries pursuing bachelor's, master's, and doctoral degrees.
- 5) **XJMU** stands as the largest government medical university in Xinjiang Province.
- 6) Xinjiang Medical University was among the **PM&DC Recognized 7 Chinese Medical Universities** between 2001 and 2007. The last batch exempted from the PM&DC Exam graduated in 2011.
- 7) **XJMU** earned recognition as an Advanced Group of Education for international students in China. It ranks highly in national evaluations of undergraduate medical education for international students and serves as a demonstration base for overseas students in Xinjiang Region of China.
- 8) The university boasts a team of proficient professors and teachers with strong academic skills, disciplinary expertise, standardized management, and exceptional teaching and living conditions that attract numerous international students.
- 9) The institution possesses 8 directly affiliated hospitals and 3 indirectly affiliated hospitals. It also offers 45 Hospitals for Medical Practice and 11 Internship Bases throughout the Xinjiang Region.
- 10) **XJMU's** commitment to quality education is evident in its graduates' achievements. Many alumni have excelled in competitive exams such as PM&DC, FCPS, MCI, BMDC, and now hold esteemed positions in medicine and surgery worldwide.

➤ Eligibility Criteria for International Students:

- 1) **Health Requirement:** Students must be in good health and free from any communicable diseases.
- 2) **Age Range:** Applicants should be between 18 to 35 years of age.
- 3) **Academic Performance:** A minimum of 60% marks in each of the science subjects in HSSC/A-Level is required.

This eligibility criteria ensures that students are physically fit and academically prepared to pursue their studies at Xinjiang Medical University. Meeting these criteria is essential for a successful application and
